Mr. Law,

Attached for your review is the proposed Title V initial permit for Bighorn Pad (0452264, 17OPJA401) for your 45-day review. One comment was received on April 4, 2019, during the public comment period. Unless I hear otherwise from you I will consider that the clock starts tomorrow (10/16) and ends on 11/30/2019. If you have any questions or problems with the files, give me call.
